EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

EXAMINER'S AMENDMENT

1. The application has been amended as follows:
 - a. Claim 23, lines 1,2,3, please delete "claim 22" and replace with "claim 13".

Allowable Subject Matter

2. **Claims 13-21 and 23** are allowed.
3. The following is an examiner's statement of reasons for allowance:

The invention refers to a phase detector comprising a flip-flop for data, a latch, a delay element, and a first and second logic circuit. Based on extensive searching, the prior art found does not disclose the limitations " ... **first and second MOSFETS having their source terminals connected together, their gate terminals coupled to receive a pair of logic signals, respectively, and their drain terminals connected to a true output and a complementary output, respectively;**

a first clocked MOSFET having a drain terminal coupled to the source terminals of the first and second MOSFETS, a gate terminal coupled to receive a first clock signal, and a source terminal;
third and fourth MOSFETS having their source terminals coupled together, their gate terminals and drain terminals respectively cross-coupled to the true output and the complementary output;

a second clocked MOSFET having a drain terminal coupled to the source of the third and fourth MOSFETS, a gate terminal coupled to receive a second clock signal, and a source terminal;

a first load including a resistive element and an inductive element connected in series and coupling the true output to a first power supply terminal;

a second load including a resistive element and an inductive element connected in series and coupling the true output to the first power supply terminal; and

a current-source MOSFET coupled between the source terminals of the first and second clocked MOSFETS and a second power supply terminal.”

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
